

The International Teaching and Research Internships Programme for PhD Students of the University of Warsaw

STEP BY STEP

I have been qualified for the Programme. What's next?

1. Within 14 days from the announcement of the results of the competition, a student is required to submit **the declaration and the Participant's statement / wniosek i oświadczenie uczestnika projektu** consistent with the forms available on www.zip.uw.edu.pl.
2. In the case of need to change the departure date (another year's quarter) or length of the stay (number of days different than declared in the application) it is required to send an email to the following address wyjazdy.zip@uw.edu.pl. The permission granted by the Programme Coordinator is subject to availability of financial resources.
3. **The stay should not be shorter than 14 days and longer than 28 days.** In justified cases, the length of stay can be extended, however, it is not possible to receive additional funds. The travel expenses for the return journey planned after the 28th day of stay still will be covered from the project funds. If the ticket with a later return date turns out to be significantly more expensive, the difference in the price is covered by the Program Participant. The Program Participant is obliged to declare by e-mail whether the discussed difference in ticket prices occurs.
4. Due to the COVID-19 pandemic, the Program Participant is obliged to check the possibility of traveling, the epidemic status in the country or region to which he/she is going, quarantine requirements, the possibility of providing accommodation, achieving the planned goals and expected effects of the internship (accessibility of the research institutions, libraries, etc.). By submitting Mobility Application Form and Ticket Purchase Order the Participant declares that the trip may take place in the current epidemic situation. Internships are possible only to countries with which border traffic has been re-established. **Due to the pandemic, we guarantee the payment of the travel scholarship after the departure (i.e. during the stay abroad).**
5. The following documents should be submitted at the same time together in IRO (by sending e-mail to address wyjazdy.zip@uw.edu.pl) **30 days before the departure date:**
 - 1) completed and signed **Mobility Application Form / formularz wniosku o wypłatę stypendium** (scanned copy), which is available on www.zip.uw.edu.pl; the scholarship is paid in PLN currency by transfer to an individual bank account of the Programme Participant, indicated in the USOSweb;
 - 2) **Ticket Purchase Order Form / Zlecenie zakupu biletu** (scanned copy) – the specimen available on www.zip.uw.edu.pl and <http://bwz.uw.edu.pl/podroze-zagraniczne> (the **Ticket Purchase Order Form / zlecenie zakupu biletu** or the **Low cost airline ticket purchase order / Zlecenie zakupu biletu na przelot tanią linią lotniczą** if required). The Programme Participants should send a form signed only by themselves (no need to obtain a dean / unit director nor bursar's representative signature).

Note!

1. It is required to attach the booking confirmation to the Ticket Purchase Order Form.

2. The departure and return dates in both the forms must be the same!
6. The Programme Participants are obliged to purchase airline, railway and bus tickets for international transport through a travel agency selected in a tender procedure – currently WhyNotTravel agency. Detailed information and the contact list available on <http://bwz.uw.edu.pl/whynottravel>.

7. The **Ticket Purchase Order Form** should be filled in after confirming the itinerary (dates, hours, route, carrier) and pre-booking the ticket through WhyNotTravel agency by email. The **form** should be printed out and signed. A scan copy of **Ticket Purchase Order Form** along with **the booking confirmation** should be sent immediately to wyjazdy.zip@uw.edu.pl. An IRO representative must have sufficient time in order to purchase the ticket before the booking expires (at least 1 day).

Note!

1. Due to the COVID-19 pandemic, one should strive to obtain air offers at flexible tariffs, enabling the change of travel dates or cost-free ticket cancellation.
2. It is not always possible to pre-book a ticket. For low cost airlines pre-booking of tickets is not available. In such cases the **low cost airline ticket purchase order** should be filled in with the price corresponding with the information received by email from WhyNotTravel.
3. Participants of the Programme are required to inform WhyNotTravel of their status of PhD Student of the University of Warsaw.
8. IRO sends the Ticket purchase order form to WhyNotTravel for processing. The travel agent sends the ticket to IRO, who forwards the ticket to the Participant.

10. No later than 14 days from the return date, Participant should submit in IRO **a report / sprawozdanie finansowo-merytoryczne** in accordance with the specimen available on www.zip.uw.edu.pl, and sign **Travel Expense Bill / Rachunek kosztów wyjazdu** (available in IRO).

Note: Participants are entitled to a full daily subsistence allowance for each day of the stay abroad financed with ZIP funds, regardless the number of hours spent abroad.
12. **The travel tickets** to and from the destination (or boarding cards) should be attached to **report**.
